Yazoo County

Murray Reid Thorne, President

To the Students:

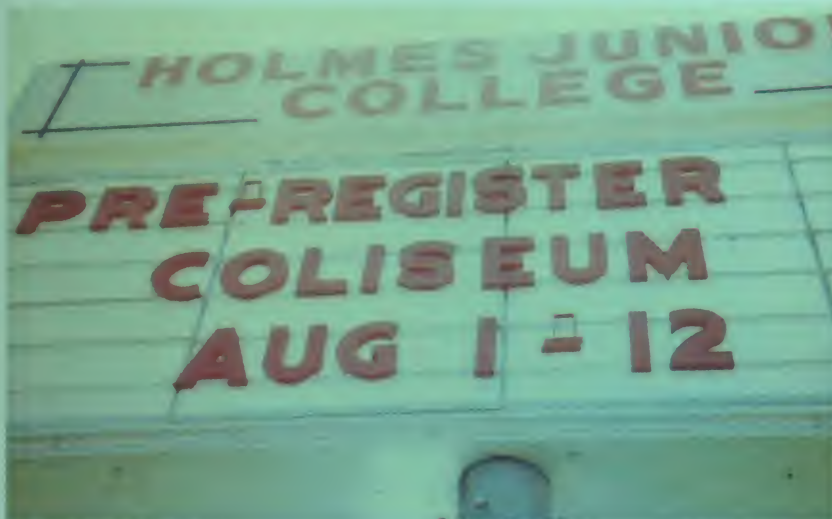

Since coming to Holmes Junior College as a teacher and later serving on the administrative staff, I have been a part of and have observed many changes. Holmes Junior College has grown and developed into the fine institution it now is not only because of the vision, wisdom, and diligence of the Board of Trustees and its presidents, but also because of the stability and dedication of the faculty and staff.

Holmes Junior College should always strive to provide the very best education for its people — whatever their goals and abilities may be. The administration, faculty, and staff exist totally for the purpose of facilitating this education.

As you go from Holmes Junior College to take your places in the world as leaders, I am sure you will meet the challenges with courage and dedication. I wish you the very best in your endeavors and will always be interested.

Sincerely yours,

M. R. Thorne

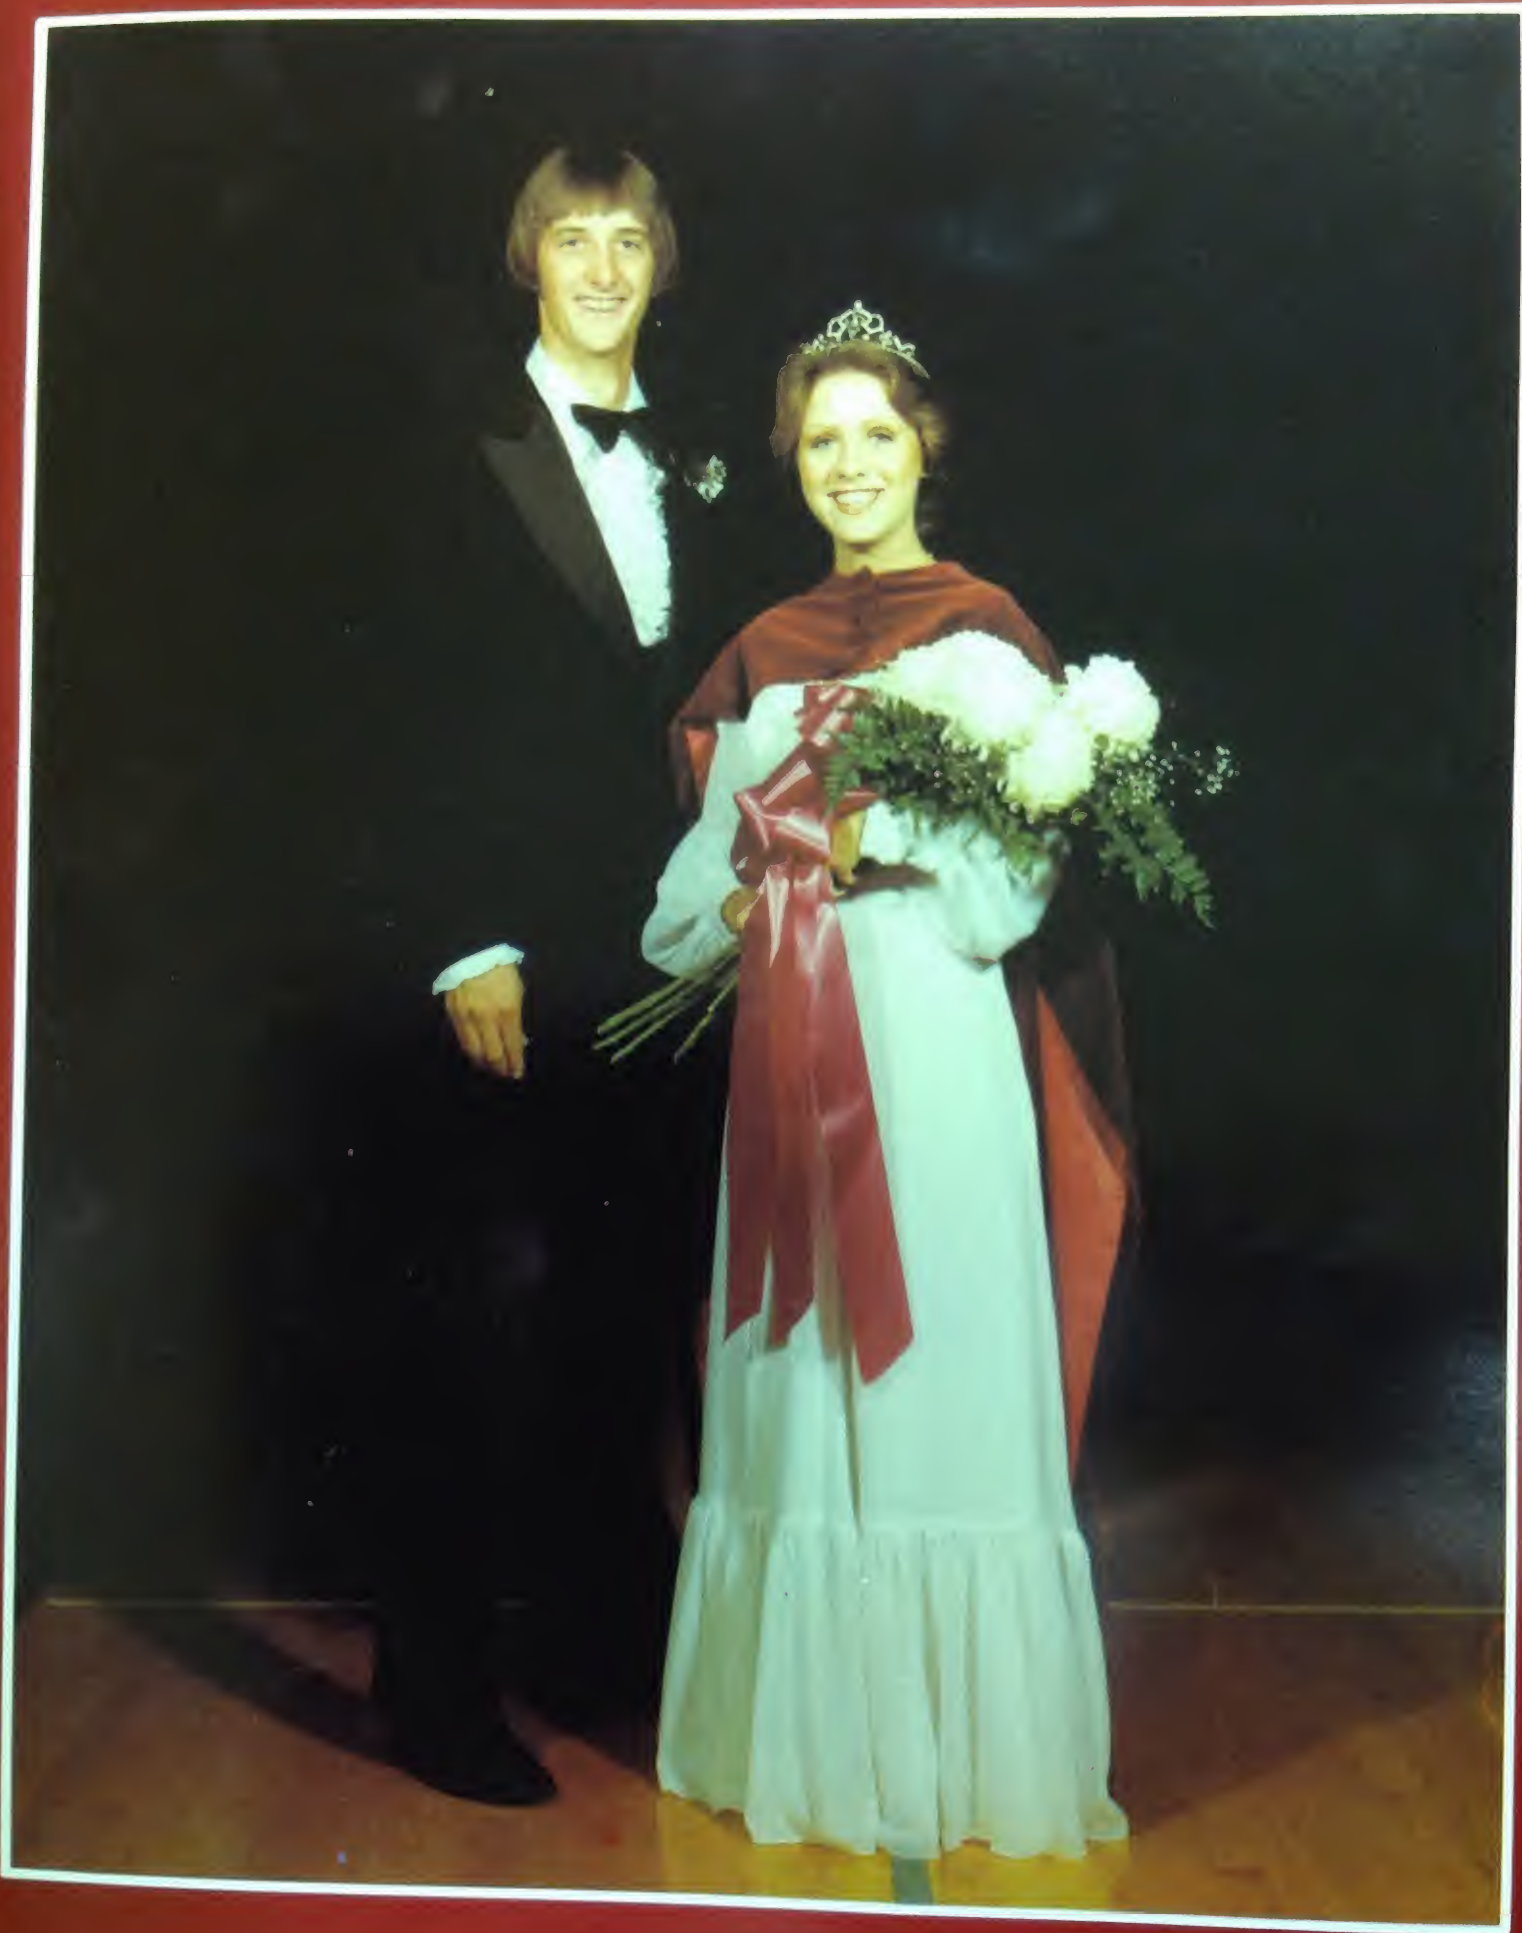

Student Life

GRENADA HALL

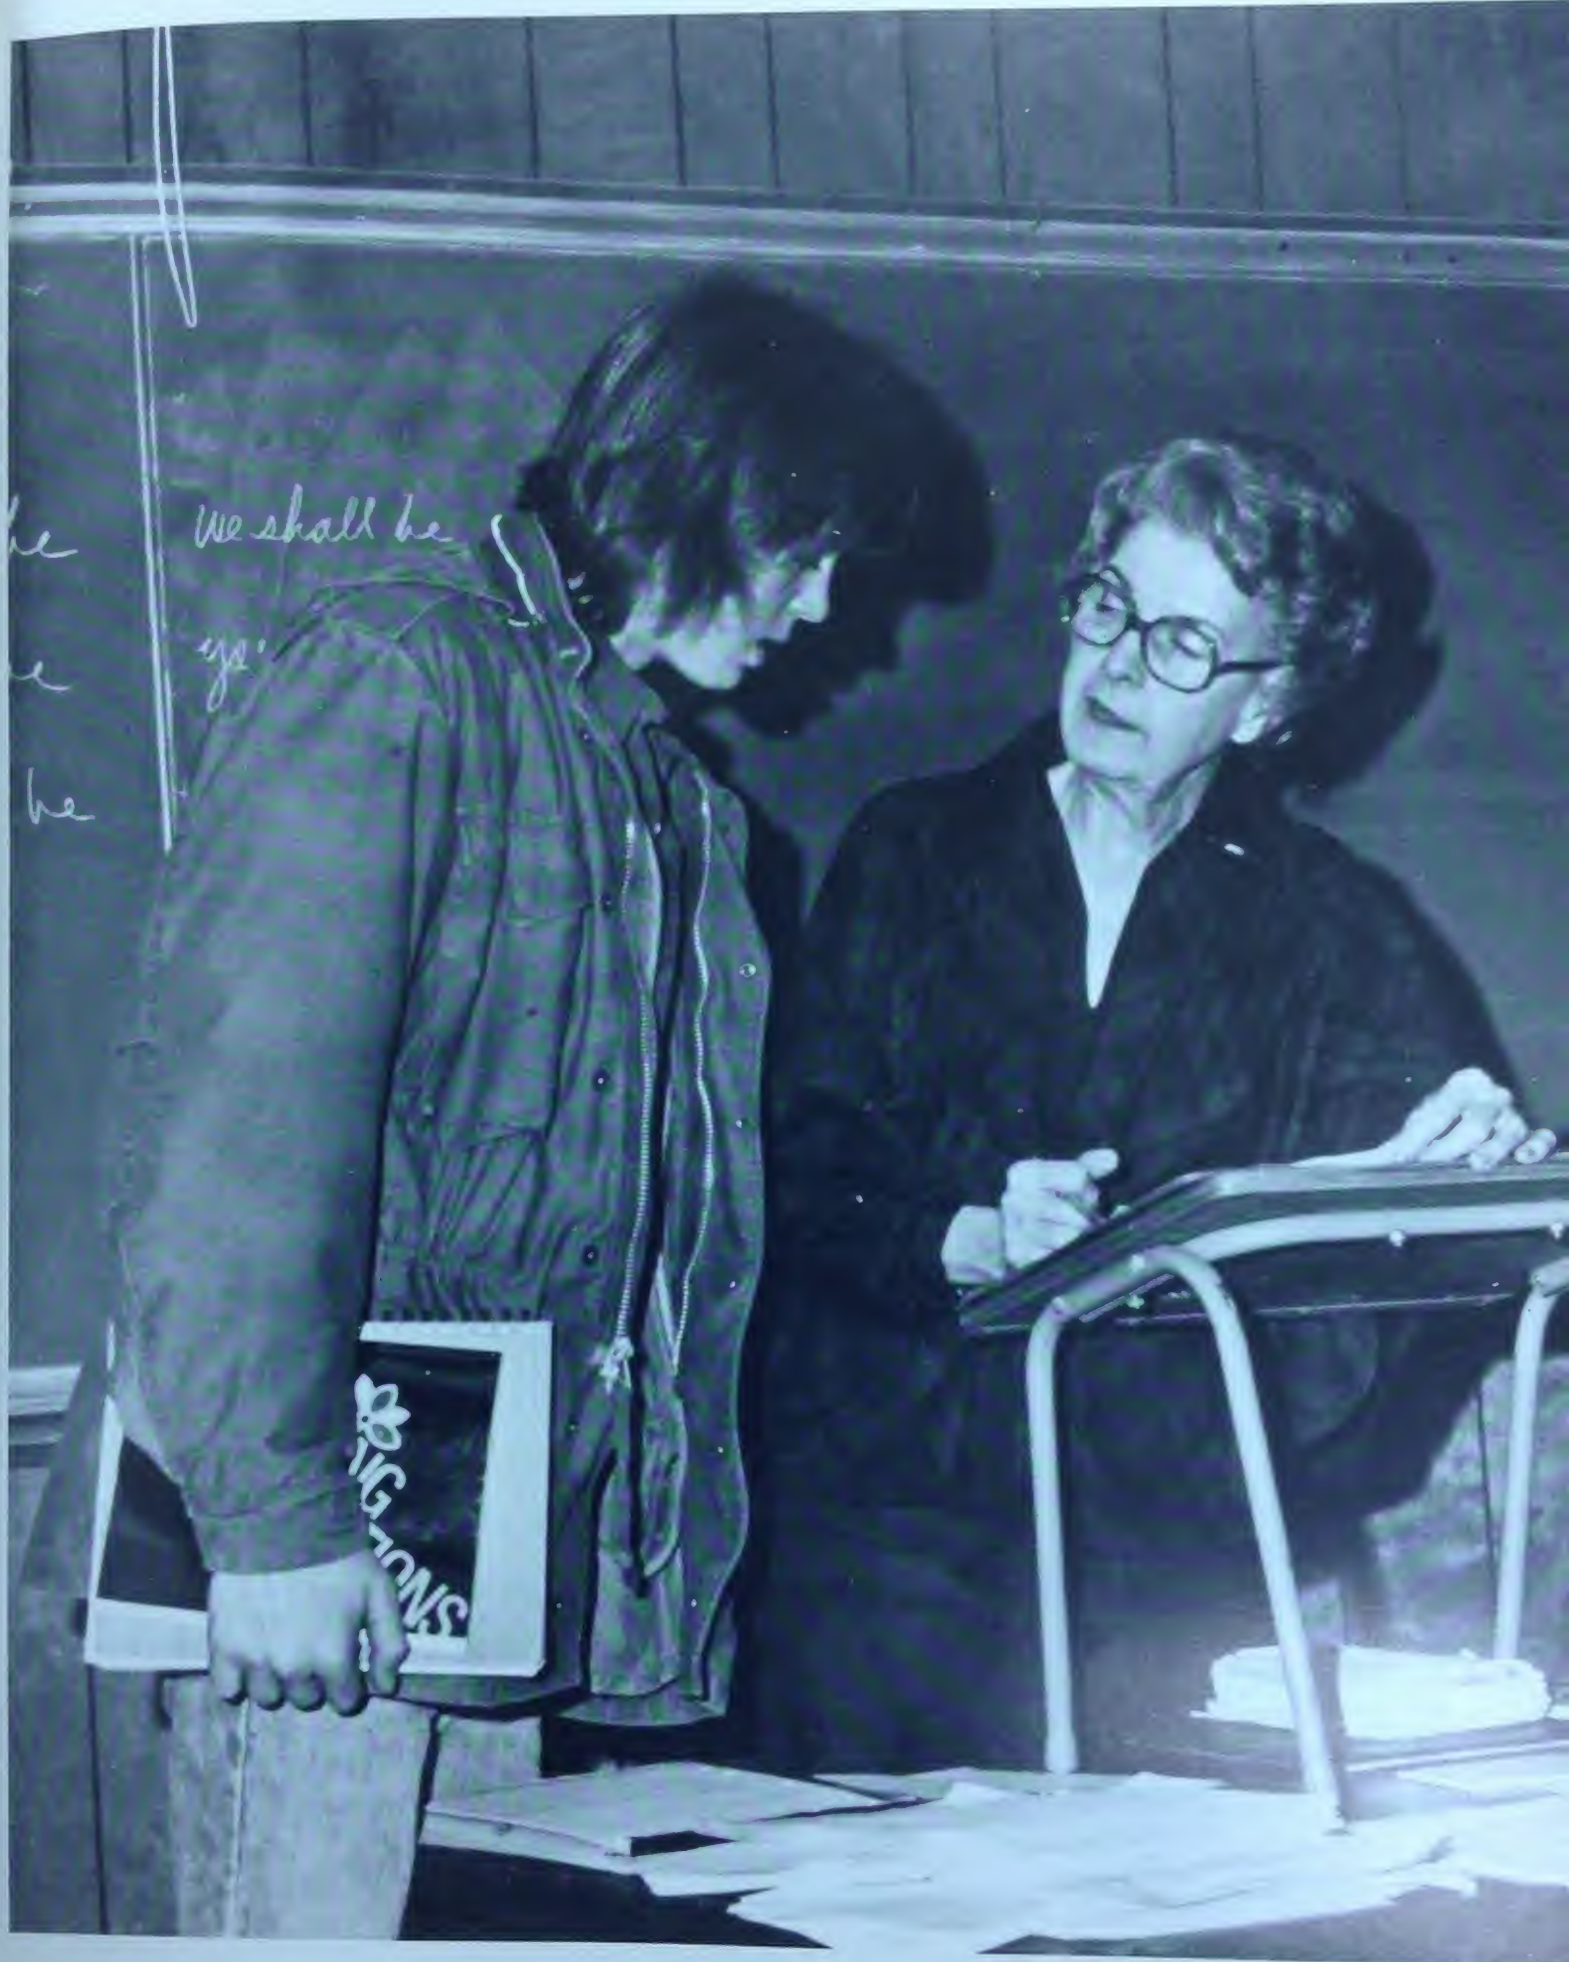

FACULTY

Administration

Mr. W. H. Bunch
Registrar

Mr. Thomas Davis
Director of Continuing Education

Mr. Lewis Hambrick
Dean of Student Affairs

Dedication

This edition of Horizons is dedicated with great pride to Miss Dot Thomas,

Physical Education instructor at Holmes Junior College. Miss Thomas has taught academic classes, coached high school basketball and track, and presently teaches academic courses for P.E. majors and is in charge of all girls' P.E. classes. Miss Thomas has taught a wide variety of classes at Holmes.

Miss Thomas, who is strongly devoted to her beliefs, is a very sincere, cooperative, and understanding person, and is always eager to help her students with their problems. Because she has endeared herself to us by being herself, we have chosen to recognize Miss Dot Thomas in this edition of our yearbook.

Editor's Message

My year as editor has come to a close. I am glad to say that the long hours of hard work are over, but I can truly say that they were worth it.

I would like to thank the people who made this yearbook possible, such as our advisor, Mr. Tony McMullen and the staff for giving of their time and effort to put together this book. Most of all, I would like to thank you, the students of HJC, because without you there would not have been a yearbook.

As you turn through the pages of this year's HORIZONS, I hope that it will bring back your fondest memories of your days here at Holmes Junior College.

Kim Payne
